

Experience Camps: Georgia

[Experience Camps Georgia](#)

Experience Camps are free one-week camps for kids who have experienced the death of a parent, sibling, or primary caregiver.

Camp is a place where kids can laugh, cry, play, create, remember the person who died, or forget the grief that weighs them down. Camp provides a safe space where campers can feel "normal," because everyone there has been through something similar and understands what it's like to lose someone important to them. It's a home away from home. And just about everyone will tell you..."It's the best week of the year."
