

## Comfort Zone Camp

Created by [Comfort Zone Camp](#)

Comfort Zone Camp is a nonprofit 501(c)3 bereavement organization that transforms the lives of children who have experienced the death of a parent, sibling, primary caregiver, or significant person. Our programs are **free of charge** and include trust-building activities and age-based support groups that break the emotional isolation grief often brings. Comfort Zone's programs are offered to children ages 7-17, and their families for the family programs, plus we offer young adult programs for 18-25-year-olds.

In light of the increased need created by the COVID-19 pandemic, Comfort Zone Camp is finding new ways to help grieving children. Through the new Comfort Zone At Home program, campers are able to connect virtually and still have a powerful camp experience from the comfort of their home. We have also created Family Camp programs so whole families can heal and grow together. **Contact Comfort Zone Camp at:** [info@comfortzonecamp.org](mailto:info@comfortzonecamp.org)
